Ada Municipal Airport (KADH) | 2800 Airport Road | Ada, OK

who:

Those interested should contact George Braley toll free at 1-888-FLY-GAMI (888-359-4264)

LOBO and General Aviation Modifications, Inc. (GAMI) are pleased to announce an exciting event scheduled for May 14, 2011 at GAMI's research and production facility located at the Ada Municipal Airport (KADH) at Ada, OK.

Attendees will get to meet one of the most influential members of the general aviation community, George Braly. Mr. Braley is a world-renowned expert in the operation and modification of large-bore piston aviation engines.

Mr. Braly will cover subjects such as engine baffling and cooling as well as the benefits, set up and maintenance of fuel injection systems, including the product that made Mr. Braly famous, his excellent GAMIjectors.

If you are interested call Mr. Braly at 1-888-FLY-GAMI (888-359-4264). Lodging is available at the Ada Holiday Inn Express under the Tornado Alley discount. GAMI can provide transportation to and from the hotel. Seminar costs are to be set by Mr. Braly – call for details.
