2012 LOBO/LANCAIR FLY-IN

DOOR PRIZES!

Some of you are coming to the 2012 LOBO/Lancair Fly-In in Sedona, AZ to hang out with old friends and make new ones. Some of you want access to the incredible brain trust of information and to learn to better maintain and fly your Lancair professionally and safely. Some of you will experience one of the most beautiful pieces of landscape in the world. Some of you just want to look at all the Lancair eye candy flying in from all over the country. And finally, some of you are coming for the SWAG! (You know who you are.)

We have great news for the last group, because AeroLED has donated a [Pulsar EXP Nav/Position/Strobe](#) lighting package valued at \$850! These sleek little beauties mount on the wingtip and feature the very latest state-of-the-art LED technology. Each assembly includes position lights boasting 70+ candelas of light, and a built-in strobe/strobe power supply generating an eye-catching 150+ candelas, all while drawing a meager 1 amp of current average.

All you have to do for a chance to see these dazzling tech toys on your aircraft is sign up for the 2012 LOBO/Lancair fly-in—do it now!
