

EAA Airventure – Lancair Booth 275 & 276

Come visit with Jeppesen, at the Lancair booth. You will have an opportunity to visit them on Friday, August 1, 2014 at 2:00pm. The “Street Teams” will be there for approximately 30 minutes and will be giving out various items along with coupons for more fun items that you can pick up at their booth (see link below for their location). Also, for a fun opportunity to test your skills in one of their Red Bird Simulators please see below.

Put your stick and rudder skills to the test and find out!

Fly one of the three challenges using our Redbird simulator. The pilot with the highest score wins a Jeppesen prize.

- The challenge is open to Jeppesen partners only.
- Each pilot is allotted 15 minutes for a challenge.
- All scoring is based on criteria published in the FAA practical test standards and other FAA publications such as the Airplane Flying Handbook.
