LOBO and Lancair International, Inc. are pleased to announce an exciting event scheduled during our upcoming fly-in in beautiful Branson, MO. [Chico's Boutique](#) at Branson Landing is hosting a Breakfast and Fashion show exclusively for our fly-in attendees.

Chico's tells us they've planned a first-class event for ladies interested in the latest fashions. Event attendees will see a full, choreographed fashion show while enjoying a continental breakfast including a breakfast casserole; pastries; fruit; hot tea; coffee & bottled water—and a 10% discount on all purchases! If you're feeling a bit adventurous, you might consider modeling for the show. In addition to the 10% discount, models will receive a special gift for participating. (Volunteers must go to Chico's on Friday, 7 Oct, during regular business hours to select the outfits they'll wear during the show.)

Event organizers have promised our LOBO and Lancair ladies a fantastic Chico's experience including music, fun, great deals and prizes. Space is limited—we can only accommodate 30 ladies for this show—so contact Claudette ASAP!
