register: [Click here](#) to RSVP via email or call Bob Pastusek @ 757.286.4802 by 3 Jun 2011

If you like to get your hands dirty tinkering with your Lancair then join host Bob Pastusek at Manassas Regional Airport (KHEF) at 9:00am on 11 Jun, 2011 for a barrel of grease monkey fun. Bob and his panel of Lancair experts have put together a fact-filled clinic that focuses on the annual condition inspection. The clinic format Bob pioneered allows for informal lectures including Q&A sessions combined with hands on demonstrations of common maintenance tasks using the two- and four-seat Lancairs their owners have made available for the clinic. If you're looking for a good way to spend a worthwhile June weekend, email or call Bob now (or by 3 Jun, 2011). When you do, tell Bob about any special maintenance topics you'd like him or his experts to discuss. Don't miss this chance to learn how to maintain your Lancair like a pro!
